

# *Cream Cheese with Caramel and Apple*

*Annette Lezza (Leck)*

**Yield:** 8

**Prep time:** [hours and minutes]

**Total time:** [prep + cook time]

## *Ingredients*

**Cream Cheese** | 8oz block

**Caramel Sauce** | ½ cup or more (store bought or homemade)

**Toffee bits** | ½ cup or more

**Apple slices or Pear or Pretzels** | 4 or 5 apples

## *Directions*

- Place cream cheese on a serving dish. If you'd like, shape into a round and indent in the center to hold more caramel. Pour as much caramel sauce as you want evenly over cream cheese. Sprinkle with a generous helping of toffee bits.
- Serve with sliced apples, pears, or pretzels.
